

BFI Residential Film Academy – VFX & animation

Dear student

We are looking for young people (16-19) who are interested in a career in the film industry. The Academy is based on an introductory day, an online session then a residential week over the spring half term. The course is subsidised but there is a [fee](#) (sliding scale starting at £25) and a [bursary](#) scheme for those who need it. Currently there is a 3:1 success rate for applicants so there is a good chance of getting on. Deadline - 6th December 2021 - 5pm. [Academy details](#)

For young aspiring filmmakers, 16-19 years old, organised by the BFI in Animation & Video Effects

The BFI Film Academy offers high quality training to the next generation of UK talent. If you are interested in learning or improving your skills in animation or VFX, this is the place for you. Please note – university students cannot apply.
